

How do you  
**FEEL** about  
Government  
Collecting data?

I think it makes  
**SENSE**...  
But need to build  
UP **TRUST**

"We don't know  
anything about  
you"

I BET YOU DO!

If you don't give  
**CONSENT** you're  
not part of the  
process. You're  
not considered

They're NOT  
**FORTHCOMING** if  
you might be entitled  
to another benefit.

Are you entitled  
to a benefit?

Can't easily  
**DISTINGUISH**  
between **AGENCIES**

Having options  
that aren't  
electronic is good.  
Not **EVERYONE**  
is **DIGITALLY**  
**LITERATE**.

You don't know  
**WHO** to  
**TRUST**

You can't see How  
they are all  
**SEPERATE**
